KPC/PU/OT- 063/HSE/NBI/24-25

15TH NOV. 2024

TO ALL BIDDERS

RE: CLARIFICATION NO: 1- KPC/PU/OT- 063/HSE/NBI/24-25 TENDER FOR SUPPLY OF HYDROCARBON DETECTORS FOR STORM DRAINS AND OIL WATER SEPARATOR DRAINS

We refer you to the above.

We would like to make the following clarifications.

	Vendor Query	KPC Clarification
1.	Kindly allow <i>our person to visit</i> the site at PS 10 and PS 25. Today we are attending the one at PS 14	For bidders yet to make a site visit, a site visit has been extended at PS 10, PS 25 and PS 14 as below: i. PS10 (Nairobi Terminal)- Monday 18 th November at 1000am to 1200pm ii. PS25 (Nakuru)- Tuesday 19 th November 1000am to 1200pm iii. PS14 (Kipevu-Mombasa)- Thursday 21 st November 1000am to 1200pm There will be no further site visits.
2.	We request for extension of closing date for tender number KPC/PU/OT-063/HSE/NBI/24-25. As mentioned during the pre-bid meeting. We are waiting for the photo's and dimensions of the sluice gate.	The tender closing date has been extended to 26 th November 2026 10am. For pictures, PTO. These are the dimensions of the sluice gates. 1. PS10 (Nairobi) Length- 37.41inches, width- 32.2 inches 2. PS14 (Kipevu)- Mombasa Length- 35.43 inches Width- 23.62 inches 3. PS25 (Nakuru) Length- 36 inches, width 30.25 inches
3.	We kindly request that you allow for another round of	See response in (1) above.

	<p>site visits for the above tender.</p> <p>The tender advertisement in MyGov pull-out of 5th November 2024 (as attached) indicated that there will be NO site visits so we did not plan for the same in our calendar. We only saw this under ITT when we managed to finally get a copy of the tender document which took sometime to be posted online.</p> <p>The tender title also indicates it is for supply only and not supply and installation.</p>	<p>On the 'Technical Evaluation Criteria' section, the last evaluation criteria, that is, no.32, a site visit is stated.</p> <p>The cover of the tender document reads 'Tender Document for Supply and Installation of Hydrocarbon Detectors for Storm Drains and Oil-Water Separators'</p>
	<p>We are participating in the subject tender. However, after perusing the tender document we have seen that the sluice gates which are in scope of supply do not have specifications. Kindly provide.</p> <p>Secondly, we request for an extension of time by two weeks.</p>	<p>The dimensions of the sluice gates differ due to their adaptation to the curvature of the storm drains. Consequently, we have made a site visit a requirement.</p> <p>The tender closing date has been extended to 26th November 2026 10am.</p>
