

KENYA PIPELINE COMPANY

HEALTH, SAFETY AND ENVIRONMENT POLICY

KPC management recognizes its responsibility for ensuring that all reasonable steps are taken to protect and preserve the environment in which it operates; hazards removal and control, health preservation and injury protection of its employees, customers and other stakeholders.

To achieve this, KPC is committed to;

1. Complying with all applicable HSE laws and regulations and continually improving our HSE performance through review and implementation of effective management systems in line with the requirements of relevant standards.
2. Enforcing management of HSE as a line management responsibility who shall ensure accurate and timely reporting of all HSE incidents.
3. Educating our employees, customers, & other stakeholders about our HSE standards and practices, and fostering their commitment to improving our HSE performance through feedback mechanism.
4. Holding each employee responsible and accountable for own health and safety performance and that of colleagues and other persons within the company premises.
5. Recognizing outstanding HSE performance within our company.
6. Creating a sustainable future for generations by integrating HSE and social performance in our business operations.

This policy statement sets a framework for establishing objectives and shall be reviewed periodically to take into account changing conditions.
