

KPC UNVEILS NEW BOARD MEMBERS AS IT LOOKS INTO THE FUTURE

By Bernard Kimani

KPC recently welcomed five new Board Members who together with other Board Members will assist the Ag. Managing Director Hudson K. Andambi, OGW in providing strategic and operational direction to the company as the implementation of Vision 2025 hits critical phase. The appointment of the five directors, follows the expiry of terms of service for the previous directors. KPC is keen to position Kenya as the hub for the oil and gas sector in the region and the appointment of the new directors came at the most opportune time. The directors visited Line 1 and Mombasa Pump Stations during their induction tour.

During the induction Director Millicent Onyonyi who also doubles up as the Chair of the Board Technical Committee (BTC) stressed the need for the company to foster efficiency and integrity. She also emphasised the need to work as a team when she addressed staff from PS 1 Changamwe who took the new directors through KPC processes and systems. ‘We look forward to working with you. We have a lot to accomplish together,’ said Millicent while reiterating the need for the company to adopt the best systems to safeguard trust with its stakeholders.

‘It gives me immense pleasure to welcome you as our directors. You certainly constitute Kenya’s best, and we are particularly pleased that we have been able to get some of the best talents in country,’ said Tom Mailu KPRL General Manager during the induction.

The directors were impressed to learn that, over the years, KPC has successfully fulfilled her mandate of transporting petroleum products in an efficient, safe, reliable and least cost manner. It has emerged as a consistently profitable parastatal, a regular contributor to the Exchequer through taxes and dividends, and a critical component of the industry accounting for transporting over 80% of all petroleum products within Kenya as well as a substantial proportion of the regional needs in Uganda, Tanzania, Rwanda, Burundi, South Sudan and Eastern DRC.

Workplace Safety Tips Emergency Response

Safe work procedure must be read and understood before commencing work

In the event of fire, immediately pull the nearest fire alarm pull station as you exit the building. When evacuating the building, be sure to feel doors for heat before opening them to be sure there is no fire danger on the other side.

Always be alert at work with quick reactions

CELEBRATING BUSINESS CONTINUITY AWARENESS WEEK (BCAW)

MAY 13TH - 17TH 2019 **THEME "INVESTING IN RESILIENCE"**

By Bosco Yokomoi

Business Continuity Awareness Week (BCAW)

Business Continuity Awareness Week (BCAW) is an annual global event that is facilitated by the Business Continuity Institute (BCI) and is a key vehicle to raising the awareness of the profession and demonstrating the value effective business continuity management can have to organizations of all types of sizes.

Investing in Resilience

This year's theme is "Investing in Resilience". "The ability of an organization to anticipate, prepare for, and respond and adapt to incremental change and sudden disruptions in order to survive and prosper".

Business Continuity Management in KPC

1. What is the importance of Business Continuity Management?
2. Did you know that KPC has Business Continuity Plans (BCPs)?
3. Do you know your BCM Champions?
4. Do you know When and How to use Business Continuity Plans (BCPs)?
5. Do you know Why BCPs are important in Recovery of our business?

Watch out on our Special Edition Newsletter during the BCAW for more information.

SAFETY CORNER

Recognition for the top near miss reporter is featured each month. Congratulation to this month's safety champions and for keeping KPC a notch safer.

Near miss of the month – March

Top Reporter – Stephen Bore

Station – Nairobi Terminal (PS10)

Section – Clinic

Date of reporting – 11/03/2019

Report – KPC staff parking in undesignated and unmarking parking spots around the clinic area block means of access for the ambulance in the event it is required for response

Corrective action – A communication was sent to all staff on the importance of following the parking regulations. The security team was also briefed on the need to enforce the parking regulations and the area is constantly being monitored during patrols. The staff members who had parked their cars in that area were issued a warning.

Future action to be taken – Disciplinary action shall be taken against those who violate the parking regulations particularly in critical areas.
